

## FINPEDMED/NORDICPEDMED - Service Request Operational Model (2024)

### Service request:

Sponsor (Academic or Industry) selects target countries and fills the e-Service Request and submits CDA template (if needed) via NORDICPEDMED.com website by selecting preferred services: 1) **Service Request for new trial** or 2) **Consultation** <https://finpedmed.fi/en/services/service-requests/>

### CDA - Confidentiality Agreement:

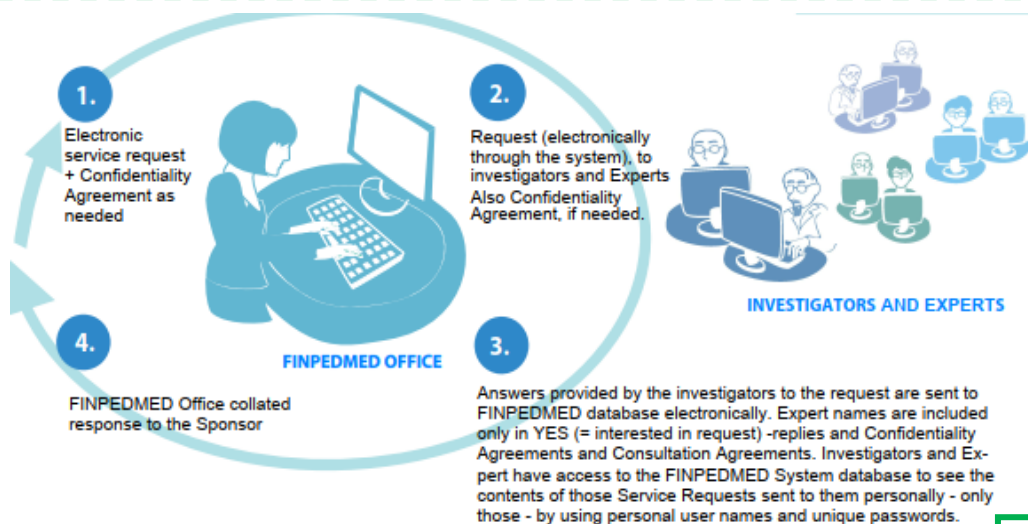

- 1) One submitted CDA will be reviewed for HUS Group by HUS Lawyers and signed by the Director of HUS New Children's Hospital for HUS Group.
- 2) If there is a need to have additional CDAs from other sites / countries, these are reviewed and signed per site / per country individually. FINPEDMED/NORDICPEDMED Office can distribute the CDA template to other Finnish sites or to other Nordic Countries via NORDICPEDMED Country Coordinators.
- 3) All sites / countries will review the CDA independently and negotiate directly with the sponsor as needed / required by local practice and laws. NORDICPEDMED Office does not need to be in these

### Other Requests – New Clinical trial / new study – Option 1:

- 1) FINPEDMED/NORDICPEDMED Office distributes the Service Request to those Experts the Sponsor have been identified / requested.
- 2) FINPEDMED/NORDICPEDMED Office collects the replies from interested Investigators and informs the Sponsor about the result: How many of the targeted investigators (and sites) have been identified and who have accepted the offer and willing to collaborate with proposed trial / study. Further communication can be done directly with the selected investigators and sites.

### CA - Consultation Agreement (NOTE: Operational Only for Finland and Finnish Experts) – Option 2:

- 1) Sponsor submits Service Request - option 2 – and requests consultation. The sponsor can propose certain experts by name or request only by using Therapeutic Area or Condition.
- 2) FINPEDMED/NORDICPEDMED Office distributes the Service Request to those Experts the Sponsor have been identified / requested.
- 3) FINPEDMED/NORDICPEDMED Office collects the replies and informs the Sponsor about the result: How many of the targeted Experts have been identified and who have accepted the offer, and willing to collaborate with proposed consultation task, and starts preparing the CA for all parties together with Clinical Research institute Helsinki University Hospital (CRI HUCH Ltd.)

### CA - Consultation Agreements by CRI HUCH Ltd.:

The CRI HUCH Ltd. will manage the CA and organizes both signatures and all the related invoicing for Sponsors and payments to Experts. FINPEDMED/NORDICPEDMED Office receives the final fully signed CAs for the HUS registry. Experts send the Report (or completes the task other way) directly to the Sponsor.
